

Dear friends and colleagues of Werner Ebeling,

attached please find the program of the colloquium in honor of Prof. Werner Ebeling on occasion of his birthday. We will be happy to see you at the Institute for Theoretical Biology at 2pm on Friday, 21. October, 2016. Contributors to the session with short welcome speeches and communications will be contacted in a separate e-mail.

H. Engel, U. Erdmann, A. Förster, H. Herzel and L. Schimansky-Geier

%%

14.00 Opening

14.15 Rainer Feistel (IOW Rostock-Warnemünde)
Physics of Self-Organization and Evolution

14.50 Jörn Dunkel (MIT Cambridge)
Self-Organization and Transport in Active Flow Networks"

15.25 - 15.45 Break

15.45.-17.00
Short welcome speeches and communications

17.00 Closing

Localization: Institut für Theoretische Biologie
Campus Nord der HU Berlin Philipppstr. 13, Haus 4, 10115 Berlin

The event is co-organized by Leibniz Sozietät der Wissenschaften zu Berlin e.V. and by Berlin Center for Studies on Chemical Complex Systems.
